

# BOOK REVIEW

## BOOK BASICS

Title: The Guild Codex: Demonized (Books 1-3)

Author: Annette Marie

Genre: Urban Fantasy

## STAR RATING

## THE GUTS

Area	1-10	Notes
Writing Style	10	Flawless and fun! Quick-paced, but never rushed ( <i>because the slow burn is real</i> ).
Characters	10	Robin & Zylas FOREVER. I love how they're both out of their element in similar but wholly different ways. They make an amazing pair to read.
Plot	10	THIS PLOT! 🥰 You'll be left satisfied at the end of each adventure, as well as craving more. It's maddening in the best kind of way and the perfect entertainment to get you through the day.
