STAR RATING

THE GUTS

Area	1-10	Notes
Writing Style	10	Compelling and urgent. Bryan's call for change is unignorable.
Characters		<i>There are no "characters" in this book. They are real people and don't deserve a place on my scoring system.</i>
Storyline/ Narrative	10	From its horrors to its graceful revelations about life and the mercy we allot others, this story will stay with you long after you put it down. I wouldn't have it any other way.
